***Notice of Non-Responsive Election***

***Election/Restrictions***

The reply filed on 2/2/5 is not fully responsive to the prior Office Action because:

Applicant deliberately refused to elect a species as is clearly required. In applicant's response filed 2/2/5, in the second paragraph of page 9, applicant clearly indicates that because "Examiner has not provided any means of grouping or selecting claims" and applicant claims that claim 1 was intended to be generic. Examiner disagrees and refers applicant to pages 3-4 of the office Election/Restriction mailed 12/2/04. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kelly Campen whose telephone number is (571) 272-6740. The examiner can normally be reached on Monday-Thursday.
